

## California Community Colleges Summer Session 2013 – Informal Survey of Colleges

(April 2013)

### Allan Hancock College

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, slightly**
- Decreasing offerings: **No**
- Additional information you want to share: **Allan Hancock College has continuously offered summer classes. Summer 2013 is flat compared to summer 2012. In summer 2012, we offered 353 sections (280 credit and 73 noncredit). For summer 2013, 358 sections are in the current schedule (282 credit and 76 noncredit). The big change is that summer 2012 the six-week classes did not start until July 2, and in summer 2013 the six-week classes begin in June.**

### American River College

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Staying the same**
- Decreasing offerings: **No**
- Additional information you want to share: **Our campus had to make significant cuts to our offerings in previous summers. We hope to see increased funding support so we can restore our offerings and meet the high demand for summer classes. Summer classes fill very fast – the demand is so high. If the college district has the financial ability to increase offerings in 2013-14, those increases will occur in the fall 2013 and spring 2014 semesters.**

### Bakersfield College

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, and we had a big registration event the weekend of April 27/28 to inform students and get more to enroll in summer session courses.**
- Decreasing offerings: **No**
- Additional information you want to share: **We need to get students aware of and enrolled in 2013 summer session courses, so our weekend registration event in late April was intended to do just that. We offered a one-stop-shop to help students register with admissions, financial aid, counseling,**

**advising, assessment, etc. Out college is working locally to reach graduating high school seniors with summer session information, but we are also developing strategies to reach students off at college who will be home this summer and want/need to take classes.**

#### **Butte College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, we're staying about the same as last year.**
- Decreasing offerings: **No**
- Additional information you want to share: **We have changed the mix of courses offered in summer to better reflect courses in high demand, but overall there is no net increase or decrease in sections offered.**

#### **Cañada College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, our college will offer roughly the same number of courses as summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Cerritos College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, we're offering the same number as last summer**
- Decreasing offerings: **No**
- Additional information you want to share: **Our college is waiting for budget adoption before increasing course sections.**

#### **Chaffey College**

- Offered summer session last year? **Yes, 80 sections**
- Offering summer session this year? **Yes, 550 sections**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**

- Expanding offerings: **Yes, we are increasing class offerings by 588 percent.**
- Decreasing offerings: **No**
- Additional information you want to share: **Thanks to the passage of Proposition 30, students in the Chaffey College District will be able to enroll in summer courses.**

#### **Citrus College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **We have never discontinued an intersession (summer or winter).**
- Expanding offerings: **Yes, we are increasing offerings for summer session 2013 by 100 percent over summer 2012. For summer session 2012 we offered 125 classes. For summer session 2013 we are offering 250 classes.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Coastline Community College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, 75% increase**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **College of the Canyons**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding summer session offerings: **Yes, our college is increasing its class sections by about 25 percent from last summer. We are now offering 600 class sections this summer.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **This is the third year in a row we have increased our summer offerings. Almost all of our academic departments are offering classes this summer.**

#### **College of the Desert**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**

- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
  - Expanding summer session offerings: **No**
  - Decreasing summer session offerings? **YES, we're slightly decreasing our summer sessions. For summer 2012 we offered 83 credit class sections and for summer 2013 we're offering 82 credit class sections.**
- Additional information you want to share: **None**

#### College of the Marin

- Offered summer session last year? **Yes**
  - Offering summer session this year? **Yes**
  - If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
  - Expanding summer session offerings: **No**
  - Decreasing summer session offerings? **YES, we're offering 43 percent fewer classes.**
- Additional information you want to share: **None**

#### College of San Mateo

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding summer session offerings: **No, we are offering the same number of course sections as last summer.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **This summer we have expanded our outreach for high schools in need of extra help. Last summer we ran a very successful summer bridge program. This summer we have evolved into what we're calling 'Pathways for College.' This program is designed to assist first-time college students in making a successful transition to college life. Please see our website for more details: <http://collegeofsanmateo.edu/learningcenter/pathwaytocollege.asp>**

#### College of the Sequoias

- Offered summer session last year? **NO**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **We haven't offered summer session since 2010**
- Expanding summer session offerings: **No**
- Decreasing summer session offerings? **Yes, by about 50 percent over when our college last offered summer session.**

- Additional information you want to share: **The board took action to implement a new summer school model which is smaller than past programs but sustainable with state “restoration funds” allocated as a result of the passage of Proposition 30.**

#### **College of the Siskiyous**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding summer session offerings: **Yes, our college is increasing course offerings by approximately 20 percent.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **None**

#### **Contra Costa College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are increasing our offerings for 2013 by 57 percent over summer 2012. Our college offered 155 classes for summer 2012 and we’re offering 244 classes for summer 2013.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Copper Mountain College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, not expanding**
- Decreasing offerings: **Yes, decreased course offerings from last year by 60 percent. For summer session 2012 we offered 28 courses and for summer session 2013 we’re offering 11 courses.**
- Additional information you want to share: **None**

#### **Cosumnes River College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**

- Expanding offerings: **No, not expanding**
- Decreasing offerings: **YES, our college will see a very slight decrease of 1 percent to 2 percent in course offerings.**
- Additional information you want to share: **Our deans spread their classes out throughout the year. Most are putting traditional summer classes into fall and spring since that is where most of the demand is. If the college district has the financial ability to increase offerings in 2013-14, those increases will occur in the fall 2013 and spring 2014 semesters.**

#### **Crafton Hills College**

- Offered summer session last year? **No, only seven mandatory Respiratory and EMS sections were scheduled.**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding summer session offerings: **Yes, our college will have 46 course sections available this summer as compared to seven mandatory course sections offered last year.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **We campaigned for donations to support summer session so a portion of our costs are being provided through our Foundation.**

#### **Cuyamaca College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding summer session offerings: **Yes, Cuyamaca College offered 50 summer classes in 2012 and we are offering 107 classes this summer – we are expanding our class offerings by 114 percent.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **Even though our course offerings have increased from 2012, they're still below what we were able to offer in 2008 before the state budget cuts. In 2008, Cuyamaca had 174 summer course sections.**

#### **Cypress College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, by approximately 50 three-unit equivalent classes**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**DeAnza College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are increasing our course offerings for summer 2013 by 4 percent over summer 2012. For summer 2013 we are offering 834 classes and for summer 2012 we offered 818 classes.**
- Decreasing offerings: **No**
- Additional information you want to share: **Through careful use of one-time dollars, our college offered a full summer schedule last year. The increase this year is in as many high-demand areas as possible.**

**Diablo Valley College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are increasing our course offerings for summer 2013 by 42 percent over summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **We are conducting our first advertising campaign for the summer session since 2009. Our campus has added a lot of summer classes and we want to make sure current and prospective students know they're available. For summer 2012 our college offered 396 classes and for summer 2013 we are offering 563 classes.**

**El Camino College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are adding 20 additional classes**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**Foothill College**

- Offered summer session last year: **Yes**
- Offering summer session this year: **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students: **N/A**
- Expanding offerings: **Yes, by 3%**
- Decreasing offerings: **No**

- Additional information you want to share: **None**

#### **Folsom Lake College**

- Offered summer session last year: **Yes**
- Offering summer session this year: **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students: **N/A**
- 5. Expanding offerings: **Yes, slightly. Our college is increasing FTE by .050 over summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **If the college district has the financial ability to increase offerings in 2013-14, those increases will occur in the fall 2013 and spring 2014 semesters.**

#### **Fullerton College**

- Offered summer session last year: **Yes**
- Offering summer session this year: **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students: **N/A**
- Expanding offerings: **Yes, we are increasing our offerings by 162 percent. In summer 2012 our college offered 214 course sections and for summer 2013 we are offering 560 course sections.**
- Decreasing offerings: **No**
- Additional information you want to share: **Our college is heavily marketing summer school courses – this is the largest summer session in our college’s history. We have three distinct sessions, one aimed at high school, another at CSU, and a third at UC.**

#### **Gavilan College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, slightly**
- Decreasing offerings: **No**
- Additional information you want to share: **Open enrollment for summer session 2013 started May 6.**

#### **Golden West College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students?
- Expanding offerings: **Yes, 102% increase**

- Decreasing offerings: **No**
- Additional information you want to share: **Summer Bridge to Success: We are increasing the number of Math 030 and English 099 courses so students who tested at the remedial level can be prepared to enroll in college-level Math and English in the fall.**

#### **Grossmont College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding summer session offerings: **Yes, we are expanding our course offerings by 525 percent. Grossmont College offered 24 summer classes in 2012 and we are offering 150 classes for summer 2013.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **Even though our course offerings have increased from 2012, they're still below what we were able to offer in 2008 before the state budget cuts. In 2008, Grossmont had 497 summer course sections.**

#### **Imperial Valley College**

- Offered summer session last year? **NO**
- Offering summer session this year? **Yes, we are offering three sessions this year – we are offering two sessions for general student populations and one session for specialized programs (nursing, EMT, etc.)**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **Summer 2011**
- Expanding offerings: **No, we will offer the same number of course sections in summer 2013 as we did the last time our college offered summer session, which was summer 2011. We are seeking maximum enrollment.**
- Decreasing offerings: **No**
- Additional information you want to share: **Our spring semester ends May 11. Of the two sessions for the general student population, it will run from June 24 to August 1. That way continuing students may be able to get in two different summer school sessions. The June 24 session is also targeting recent high school graduates who will still be in school through May but will be able to take classes in late June.**

#### **Irvine Valley College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**

- Expanding summer session offerings: **Yes, our college is expanding course offerings for summer 2013 over summer 2012 by approximately 8 percent.**
- Decreasing summer session offerings? **No**
- Additional information you want to share: **None**

#### **Lassen Community College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, our college is increasing offerings by 10 percent**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Los Angeles Harbor College**

- Offered summer session last year? **NO**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **The college has not offered summer session for the last three years.**
- Expanding offerings: **Yes, after not offering summer sessions for the last three years, our college is offering a 63-class summer session for 2013.**
- Decreasing offerings: **N/A**
- Additional information you want to share: **The college is in a growth mode once again and is in a position to benefit from any increases in funded FTES from the state.**

#### **Los Angeles Pierce College**

- Offered summer session last year? **Yes, one small 5-week session for 2012 (57 classes)**
- Offering summer session this year? **Yes, we added 150 classes over last year and expanded to an eight-week session.**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we increased our summer offerings from summer 2012 to summer 2013 by 263 percent. Our college offered 57 classes for summer 2012. For summer 2013 we are offering 207 classes.**
- Decreasing offerings: **No**
- Additional information you want to share: **This increase was due to the influx of funds from the passage of Proposition 30.**

**Los Angeles Southwest College**

- Offered summer session last year? **NO**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **2011**
- Expanding offerings: **Yes, our college is expanding offerings by 10 percent.**
- Decreasing offerings: **No**
- Additional information you want to share: **Summer enrollment is currently underway. When Southwest's summer session begins on June 10, students can look forward to additional classes in English, History, Humanities, Math, Nursing, Political Science, Reading, and more.**

**Los Angeles Trade-Tech**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No**
- Decreasing offerings: **Yes, we are decreasing our course offerings for summer 2013 by 55 percent. For the summer 2012 we offered 154 classes. For summer 2013 we are offering 69 classes.**
- Additional information you want to share: **None.**

**Los Medanos College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, our college is increasing offerings by 30 percent. We added 48 additional classes.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**Mendocino College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, our college is increasing offerings by 73 percent**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**Merced College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No**
- Decreasing offerings: **Yes, by 50%**
- Additional information you want to share: **None**

**MiraCosta College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, maintaining 2012 levels**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**Mission College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **We have never discontinued summer sessions**
- Expanding offerings: **Yes, we are slightly expanding our summer 2013 offerings by 3 percent. Last summer we offered 315 course sections and this summer we are offering 324 course sections.**
- Decreasing offerings: **No**
- Additional information you want to share: **Because many of our neighboring community colleges were not offering summer sessions last year, we had no trouble filling most of our sections. Now, as most neighboring college are offering summer sessions, we have felt the need to step up on our marketing and outreach efforts. We hope to fill every section.**

**Mt. San Antonio College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, slightly by approximately 1 percent FTES/3 percent in available seats**
- Decreasing offerings: **No**

- Additional information you want to share: **Augmentations for summer session are designed to meet the needs of ongoing students to support progress in basic skills sequences and career technical education programs.**

#### **Norco College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are increasing our summer 2013 offerings by 117 percent over summer 2012. For summer 2012 our college offered 30 classes and this summer we will be offering 65 classes.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **North Orange County Community College District's School of Continuing Education**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, slightly. For summer session 2013 our college is offering 1.23 percent more courses over summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Ohlone College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, we are offering the same number of courses as last year.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Orange Coast College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, 150% increase**

- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Oxnard College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, increasing the number of classes offered for summer 2013 by 100 percent over what we offered in summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Palomar College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **Pasadena City College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, 113% increase in credit offerings; 15 percent in non-credit offerings**
- Decreasing offerings: **No**
- Additional information you want to share:
- **Credit**
  - Credit Summer 2012 sections = 199
  - Credit Summer 2013 sections = 423
  - **113% increase from last summer**
- **Non-credit**
  - Non-credit Summer 2012 sections = 78
  - Non-credit Summer 2013 sections = 90
  - **15% increase from last summer**

### Porterville College

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, we are offering approximately the same number of courses as last year – which is 42.**
- Decreasing offerings: **No**
- Additional information you want to share: **Porterville College is located in Porterville, California, and serves students and communities in the central valley. We reduced our summer session in 2012 by about five percent. For summer 2012 we kept the same number of course offerings as we had available in 2012.**

### Sacramento City College

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **NO, the number of offerings for summer 2013 will stay the same as summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **If the college district has the financial ability to increase offerings in 2013-14, those increases will occur in the fall 2013 and spring 2014 semesters.**

### San Bernardino Valley College

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, increased number of sections by 51 percent. For summer 2012 we offered 117 sections and for summer 2013 we will be offering 177 sections.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

### San Diego City College

- Offered summer session last year? **No, only very specialized year-round programs and classes under special grants or MOU agreements have had summer session classes available**
- Offering summer session this year? **Same as last year.**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **Summer 2010**

- Expanding offerings: **No**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **San Diego Mesa College**

- Offered summer session last year? **No, only very specialized year-round programs and classes under special grants or MOU agreements have had summer session classes available**
- Offering summer session this year? **Same as last year.**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **Summer 2010**
- Expanding offerings: **No**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **San Diego Miramar College**

- Offered summer session last year? **No, only very specialized year-round programs and classes under special grants or MOU agreements have had summer session classes available**
- Offering summer session this year? **Same as last year.**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **Summer 2010**
- Expanding offerings: **No**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **San Joaquin Delta College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes, June 10 - August 2**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No**
- Decreasing offerings: **No decrease in offerings. We will have a summer schedule that is equal to last summer.**
- Additional information you want to share: **The passage of Prop. 30 allowed San Joaquin Delta College to hold summer school in 2013...without its passage, the college most likely would have canceled summer session classes.**

#### **Santa Barbara City College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**

- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, we're offering about the same number of classes as last year.**
- Decreasing offerings: **No.**
- Additional information you want to share: **None**

#### **Santa Monica College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, for summer 2013 we're offering the same number of classes as summer 2012 – 666 credit classes/65 noncredit classes, approximately 2100 FTES.**
- Decreasing offerings: **No.**
- Additional information you want to share: **Our college is planning to make our annual FTES adjustment in winter 2014**

#### **Santiago Canyon College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are increasing class offerings by approximately 20 percent.**
- Decreasing offerings: **No.**
- Additional information you want to share: **We increased our course offerings by 20 percent and we're still considering adding additional sections.**

#### **Shasta College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we're offering 36 percent more classes for summer session 2013 over summer session 2012. For summer 2013 we are offering 293 summer classes and for summer 2012 our college offered 215 classes.**
- Decreasing offerings: **No.**
- Additional information you want to share: **Shasta College has increased both summer and fall course offerings in an effort to compensate for decreased schedules over the last few semesters. Like other rural colleges, Shasta College is increasing its number of courses and marketing efforts to stabilize enrollment, which has seen a recent decline.**

**Sierra College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we are offering a 60 percent increase in course offerings for summer 2013 over summer 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**Solano College**

- Offered summer session last year? **NO**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **2011**
- Expanding offerings: **Yes, by 100 percent since we offered nothing last year. We are offering about 25 percent more from when we last offered summer session in 2011.**
- Decreasing offerings: **No**
- Additional information you want to share: **We would like to make summer session self-supporting in the future so it may always be offered.**

**Southwestern College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, our college is expanding our summer session 2013 class offerings by 37 percent over summer session 2012.**
- Decreasing offerings: **No**
- Additional information you want to share: **Southwestern worked diligently during spring semester to increase efficiency while decreasing the number of sections. For summer, we are looking to increase FTES to qualify for the extra funding being provided to community colleges in the governor's budget.**

**Taft College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**

- Expanding offerings: **Yes, our college is increasing our summer 2013 offerings by 33 percent over summer 2012. Our college offered 80 courses for summer session 2012 and we will offer 106 courses for summer session 2013 - for an increase of 26 courses.**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

#### **West Hills College Coalinga**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, we're increasing offerings by 57 percent**
- Decreasing offerings: **No**
- Additional information you want to share: **Besides expanding our summer offerings, both Coalinga and Lemoore added around 45 sections in our spring term with the Proposition 30 funding. We were also able to add 100 classes district-wide for the spring semester.**

#### **West Hills Lemoore**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No, we're offering the same number of classes as summer 2012**
- Decreasing offerings: **No**
- Additional information you want to share: **Besides expanding our summer offerings, both Coalinga and Lemoore added around 45 sections in our spring term with the Proposition 30 funding. We were also able to add 100 classes district-wide for the spring semester.**

#### **West Los Angeles College**

- Offered summer session last year? **NO**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **2010**
- Expanding offerings: **Yes, our college is offering around 160 classes for summer session 2013.**
- Decreasing offerings: **No**
- Additional information you want to share: **Besides expanding our summer offerings, our college added around 35 sections in our spring 2013 term with the Proposition 30 funding.**

**Woodland Community College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **Yes, by 43%**
- Decreasing offerings: **No**
- Additional information you want to share: **None**

**Yuba College**

- Offered summer session last year? **Yes**
- Offering summer session this year? **Yes**
- If you already have had to discontinue summer session, what was the last year it was available to your students? **N/A**
- Expanding offerings: **No**
- Decreasing offerings: **Yes, by roughly 5%**
- Additional information you want to share: **Yuba is using enrollment management to schedule more effectively. Additionally, we are having difficulty finding qualified adjunct instructors. Both have led to a small reduction in class offerings.**
