

June 6, 2017

OVERVIEW

The deadline to pass bills out of the house of origin was June 2, 2017. The Legislature will now turn its focus on passing the budget by the Constitutional deadline of June 15, 2017. A number of bills were “held” in the Appropriations Committees, and some bills were held either in committees or on the floor. Given that this is the first year of a two-year session, bills that did not pass by the June 2 deadline are not eligible to move forward in 2016, but are not “dead” and can be considered next year. These bills are often referred to as “two-year” bills. Our legislative matrix includes a “two-year” bill section for held bills, bills placed on the inactive file, or bills not heard in committee.

Tier 1 bills that are now two-year bills include:

- AB 370 (Rodriguez) Student Financial Aid: Competitive Cal Grant A and B awards

- **SB 25 (Portantino and Newman) Nonresident Tuition Exemption: Veterans.** SB 25 ensures that the California State University and the community colleges will remain in compliance with federal law, the Veterans Access, and the Choice and Accountability Act

(VACA) of 2014. This law required all states to charge in-state tuition for all eligible veterans and dependents. It was revised in 2016 to expand eligibility for in-state tuition, and the US Veterans Administration (VA) has advised California representatives that the changes in federal law require changes in state law in order to remain in compliance. Federal law states that the US VA is required to disapprove educational programs for GI Bill funding if the state's institutions are not in compliance. The changes that SB 25 makes to state law are critical to ensuring that California continues to receive GI Bill education funding. The proposed state budget of each house includes funding for Veteran Resource Centers.
 - Status: Passed in the Senate (40-0) and sent to the Assembly.
